First Notice

Mr. Herapath on the Author of an Erroneous Solution of
 $\psi^m x = x$.

To the Editors of the Annals.

Gentlemen,

In your Annals for Nov. 1824 p. 323 I have mentioned Mr. Herschell as the author of an erroneous solution of
 $\psi^m x = x$,
extracted from Mr. Babbage's paper Phil. Trans. 1815. I came to this conclusion from Mr. B's observations in the 9th and 10th problems of his paper, and an allusion with Mr. Herschell's name in the 19th problem. Having however received a letter from Mr. Herschell in which he informs me that he is not the author, I beg you will have the goodness to say so in your next. I am

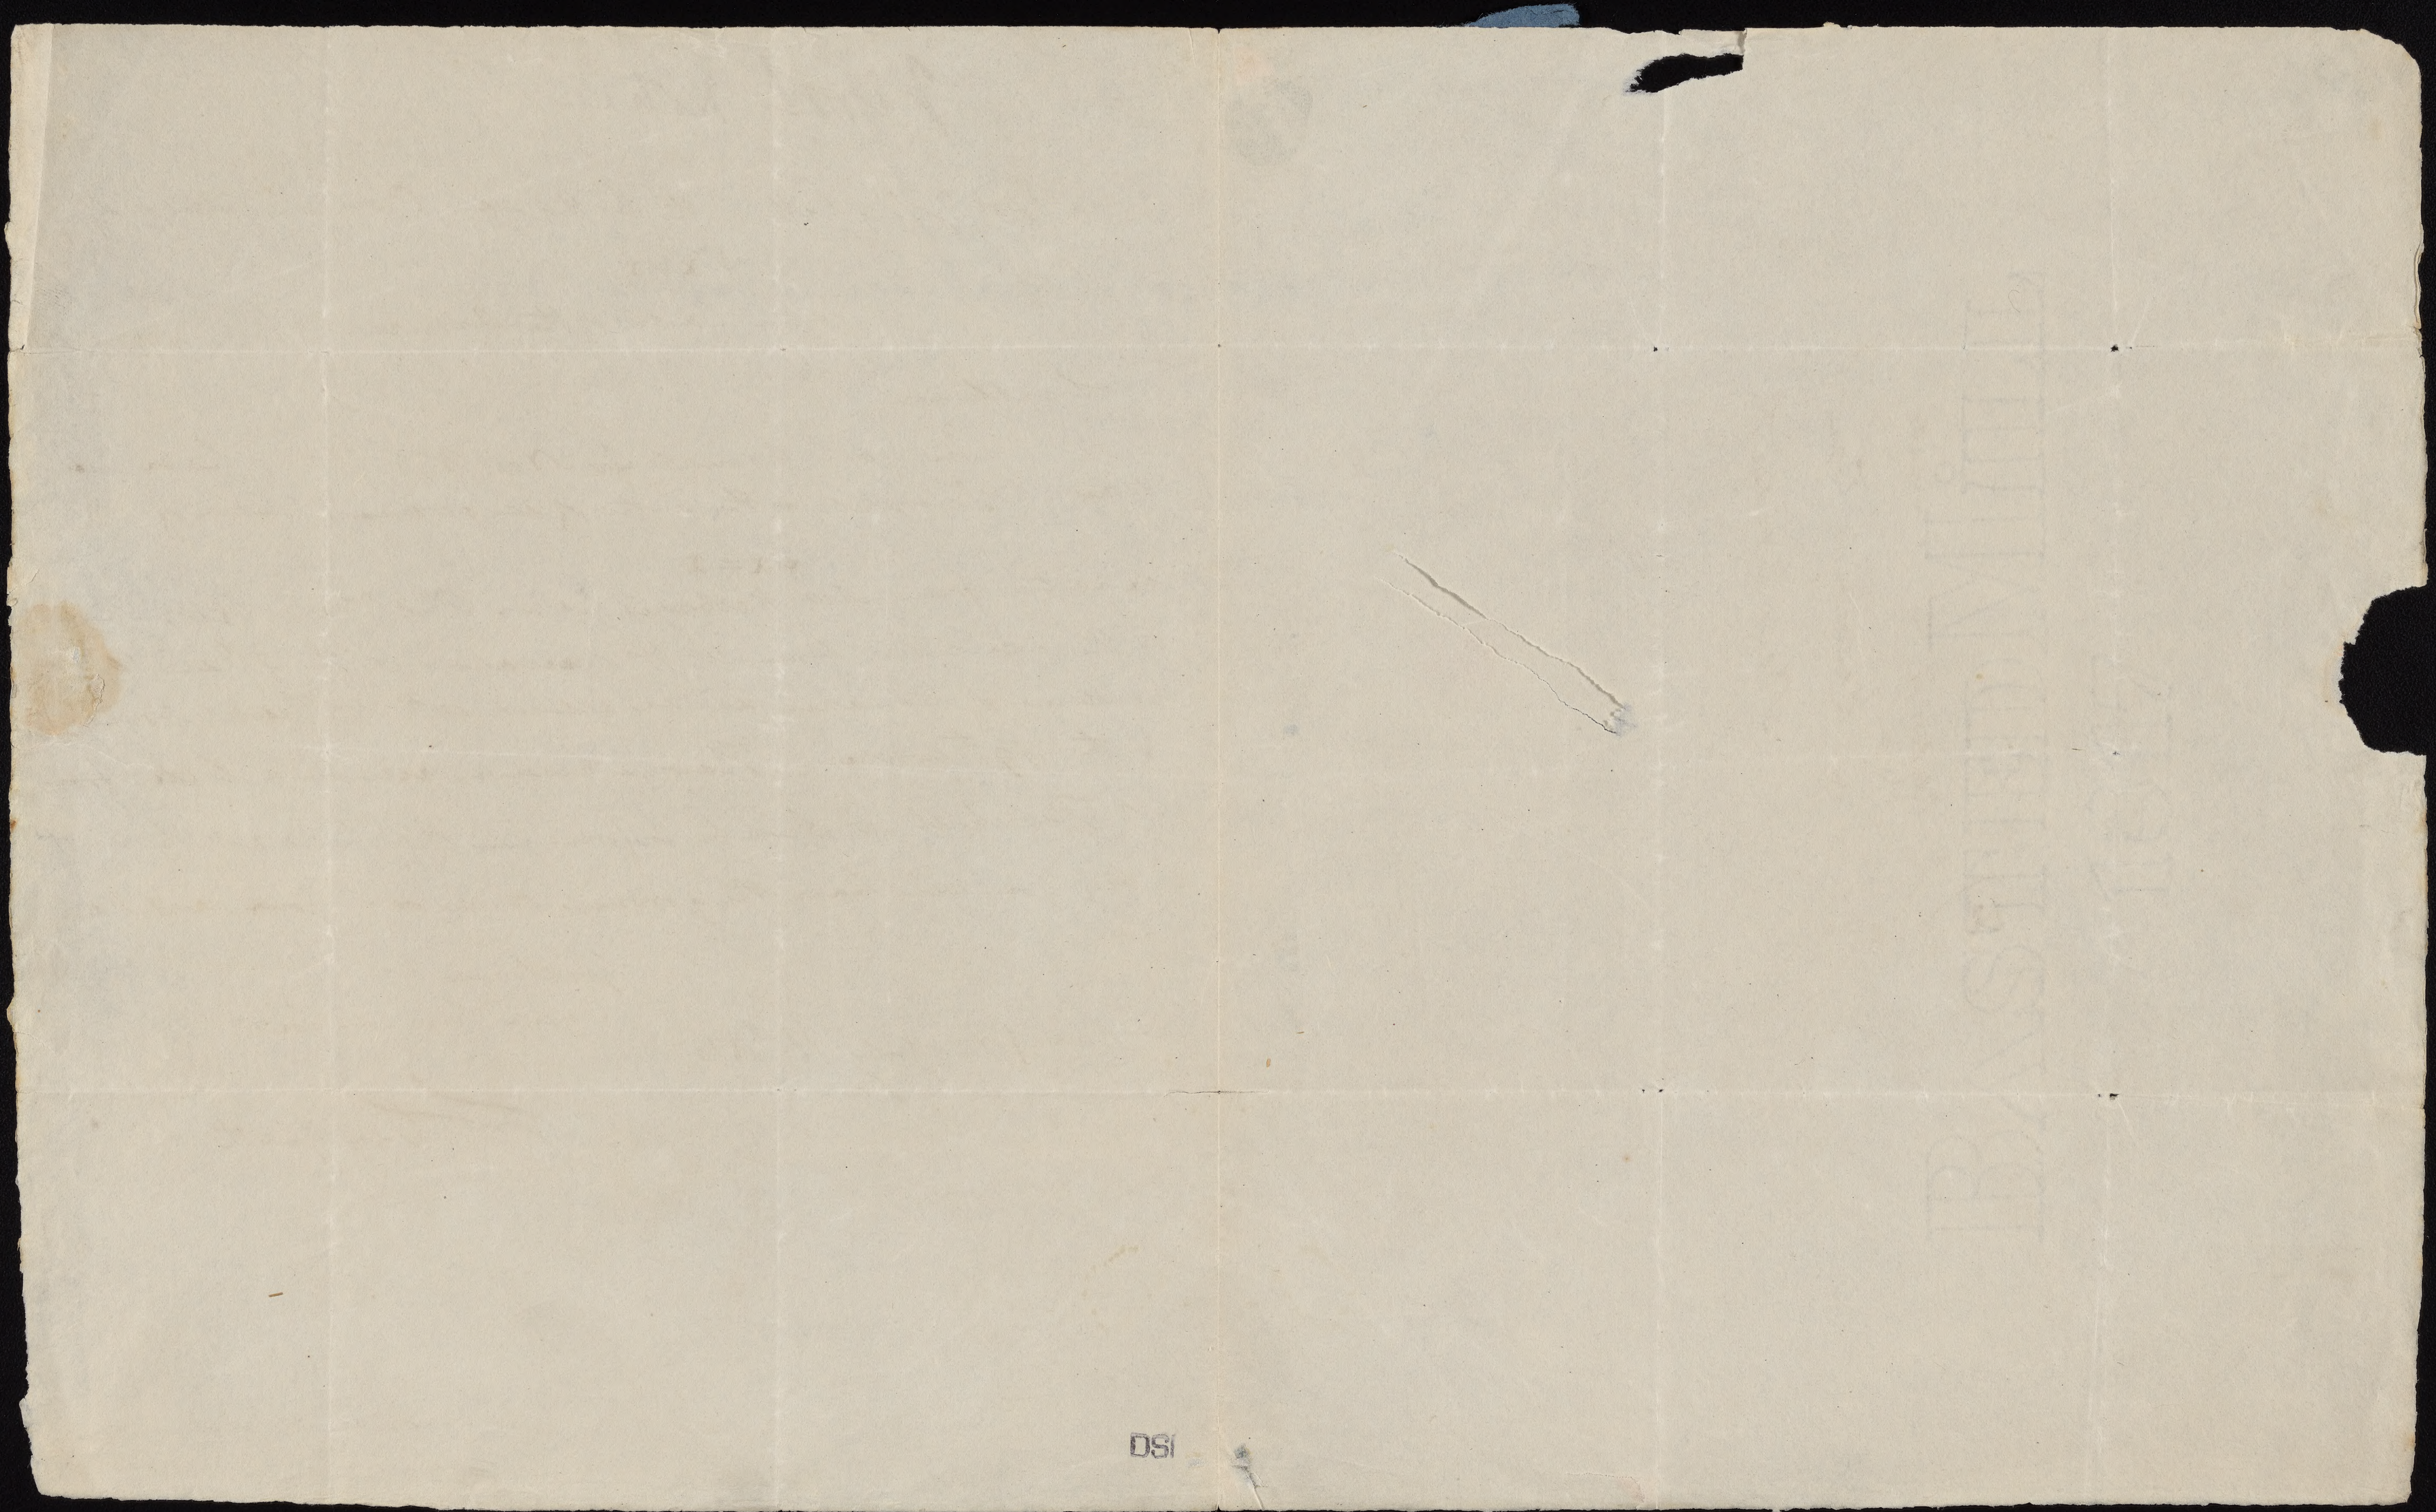

Gentlemen

your humble Servt.

Correcting a mistake, saying that Mr. Herscehl
was not the author of an erroneous solution, the
formula of which is given.
